

THEMED SUMMER DANCE DAYS

Preschool – Kindergarten (ages 3-7yrs)

Camps will focus on creative movement exercises that enhance both gross motor and listening skills while gaining an introductory understanding of dance, gymnastics and music.

Props, crafts and movement games are used to teach these basic skills in a fun, encouraging and creative atmosphere.

Each day we will be exploring a new and different popular kid's theme that students consider favorites.

*Please provide a small snack and beverage for your child on these days.

2026 DANCE CAMPS, CLASSES & INTENSIVES

“DANCER’S ON THE MOVE!” SUMMER INTENSIVES

Beginner - Advanced Level (ages 5yrs and up)
(grouped by levels)

Many of you have inquired about the best way to keep your dancer moving forward during the summer.

This is their chance to work on strength and flexibility while growing with different genres.

Summers are the best chance to sample all styles of dance, including Pointe, Pre-pointe, Ballet, Jazz, Contemporary, Hip Hop, Tap, Gymnastics, Musical Theatre, Boot Camp and more without committing to a full Fall through Spring season in that style.

It also encourages dancers to meet new friends, faculty and accomplish dance goals all while not worrying about their school and homework assignments.

Highly encouraged for any dancer that loves dance and especially those considering Dance Team in the near future.
